

THE SHANE FAMILY MEMORIAL SCHOLARSHIP

The daughters of Hilda and Bertram Shane established the Shane Family Memorial Award.

The scholarship award was endowed at the death of Mrs. Eleanor Shane Resler in 1998, to fulfill her wishes that her parents' memory be honored by the scholarship award.

Students do not apply for this scholarship. The faculty of Warsaw Community High School recommends students for this prestigious scholarship. Recommendations are based on a senior student's effectiveness in furthering cooperation, fellowship, and understanding among his or her fellow students. Following discussion of recommended students, a faculty vote determines the recipient.

This award is paid to the educational institution of the recipient after acceptance and must be used for tuition, books, or fees.
