2018 Annual Report

Dear Friend:

Near the beginning of our 2017-18 fiscal year, the Total Solar Eclipse of 2017 occurred. On August 21st, school children exited their classrooms, business professionals left their offices, factory workers shut down their production lines and drivers pulled their vehicles to the side of the road... all to watch the moon completely cover the sun in an event that hadn't happened since 1979.

Only the corona, the sun's atmosphere, could be seen radiating behind the moon's border. And yet, the energy radiating from the sun (a star), was so bright that we had to wear special protective eye wear in order to protect our sight.

The eclipse is a good metaphor for the work of the Community Foundation...let me explain. Sometimes it is easy to focus on our community's shortages: affordable housing for young adults and families, labor, child care; or on our community's challenges: pockets of poverty and strains on aging public infrastructure amid population growth. Those shortages and challenges are like the moon in a solar eclipse as it covers up the bright star of the sun. But, our donors, board members, volunteers and grantees are like the sun. Their energy, good will, financial support and ideas radiate beyond the borders of our challenges and shortcomings. Our community is strong. We are not afraid to tackle big issues, to invest in the future, and to dream big dreams.

I hope you will enjoy the stories in this report of donors, nonprofit leaders, volunteers and grant recipients who are reaching for the stars. And, I hope that if you have a dream of how you could make a difference, you will let us help you reach for it.

Warmest Regards,

Sally M. Mahnken

Sally M. Mahnken, Board President

Lauren Klusman provided feature photography for this annual report.

On Our Cover: Haley Nelson, daughter of Scott and Jenny Nelson, reaches for the stars at her family's farm.

On the Brink of Our

th

This annual report covers our fiscal year from July 1, 2017 to June 30, 2018...our 49th year. It was an exciting year as we planned for our 50th anniversary celebration year.

As our plans took shape, two main principles guided us:

- We want to give back to the community that has generously supported us...and do it in some fun ways.
- We believe there is no better way to celebrate the past than to invest in the future.

Our plans for the coming year (to be reported in next year's annual report) include community drop-ins by our new mascot (Dreamer), special events and opportunities to win PRIZES! Fun!

Our investment in the future took shape with the announcement of Endowment Challenge 50 (EC50), in which we accepted proposals from local youth serving organizations who desired to start or grow their endowments. Participating organizations committed to raising \$10,000 in endowment and to participate in multiple trainings focused on sustainability. In return, the selected organizations receive a \$40,000 match for a total of \$50,000 for their endowment funds.

Ten organizations were selected based on metrics including: number of youth served; program goals; how they build skill, character and knowledge in youth; financial management; the level of their board's commitment to fundraise and more.

The following youth-serving organizations were selected as the EC50 cohort:

- Anthony Wayne Boy Scout Council
- Baker Youth Club
- CASA
- C. O. Mollenhour Conservation Camp Council
- Girl Scouts of Northern Indiana and Southern Michigan
- Joe's Kids
- Kosciusko County 4-H Council
- Kosciusko Literacy Services
- Lakeland Youth Center
- Wagon Wheel Center for the Arts

EC50 was made possible through the generous financial partnership of Dekko Foundation, Kosciusko County Community Foundation, the Ruth Lilly Philanthropic Foundation and the Dr. Dane & Mary Louise Miller Foundation.

Pictured are representatives from the EC50 cohort (Front, left to right): Tracy Furnivall, Baker Youth Club; Mackenzie Cloutier, CASA; Rebecca Bazzoni, Joe's Kids; Ed Brown, C.O. Mollenhour Conservation Camp Council; Kay Tusing, Kosciusko County 4-H Council; (Back, left to right): Kyle Dukes, Lakeland Youth Center; John Gliots, Anthony Wayne Boy Scout Council; Cindy Cates, Kosciusko Literacy Services; Sharon Pohly, Girl Scouts of Northern Indiana and Southern Michigan; and Jay Michaels, Wagon Wheel Center for the Arts.

Elisa Wise appreciates the Community Foundation's investment in the sustainability of local charities and in the training of nonprofit leaders.

Stronger Leaders, Sustainable Organizations

Jewelry maker, veterinarian, and entrepreneur – these were the occupations a young Elisa Wise considered as she was growing up in a little town outside of Ashland, Ohio. Elisa's dad suggested that she consider public relations as a career because he recognized in her an outgoing personality and creativity that could serve her well in that profession.

Elisa chose Grace College where she majored in marketing and communication. There, she met her husband, Matt, also from Ashland, Ohio, but whom she had never met until they attended Grace. After graduation, the couple chose to stay in the Warsaw community because "Matt loved the school system here," (he's a teacher) "and I wanted to be near the lakes and the Wagon Wheel Theatre," Elisa said.

Elisa's first professional jobs were in banking and then in an administrative assistant position with Warsaw Community Schools. But, she was especially drawn to Wagon Wheel Center for the Arts where she worked nights and weekends after clocking out of her full-time job. Elisa began coordinating the costumes and supervising rehearsals for the Wagon Wheel Jr. program in October of 2016. "The theater in the round was the coolest thing I'd ever seen" she said. "I wish I had the chance growing up that Wagon Wheel Jr. students have!"

In January of 2018, Elisa had the opportunity to take her dream job – a full-time position serving as the Wagon Wheel's Development Director. In this role, Elisa maintains regular communication with the theater's donors, fundraises, and advocates for the theater.

While her strong relationship and communication skills serve her well in the position, Elisa admits that she had no formal fundraising experience prior to accepting the job. So, she began attending every training that the Community Foundation offered – workshops on marketing, fundraising and governance of nonprofits. The trainings were free, and Elisa was a sponge.

All of that training paid off, it seems. In the spring of 2018, the Community Foundation announced its Endowment Challenge 50 (EC50) in celebration of their 50th anniversary. EC50 is a matching grant opportunity for youth serving organizations, and the Wagon Wheel was selected to participate based on its service to youth through Wagon Wheel Jr. and its partnership with area public schools.

As a participant, the Wagon Wheel leaders agreed to attend four workshops provided by the Community Foundation and agreed to raise \$10,000 for an endowment benefitting their organization. In return, their \$10,000 would be matched by \$40,000 for a total of \$50,000 in endowment. The matches were made possible by the Community Foundation, Dekko Foundation, Dr. Dane & Mary Louise Miller Foundation and Ruth Lilly Foundation.

This summer, Wagon Wheel Center for the Arts became the first organization to have met its \$10,000 fundraising goal! Elisa said the \$50,000 endowment helps ensure the theater's longevity. "I'm the youngest and newest staff member," she said. "I want the theater to be here for the rest of my life."

Priorities:

Child Care & Workforce

What are our community's biggest challenges? And which challenges is the Community Foundation in the best position to address?

Our board grappled with these questions in the past year. In November 2017, our Board participated in a survey in which they were asked to rank a number of community needs. The most pressing needs, according to the board survey, were access to quality child care and preparing our workforce for high-demand jobs.

As a follow-up to the board survey, we surveyed donors, community leaders and nonprofit leaders and asked the same questions. Interestingly, the results were nearly the same and the top two issues remained access to quality child care and preparing our workforce for high-demand jobs.

In March 2018, the board voted to adopt child care access and workforce preparation as top priorities for the Foundation to address.

Since that time, the Community Foundation has invested in local high school career centers to ensure they have the resources they need to train young people in skilled trades. We have supported Ivy Tech's Advanced Manufacturing program in partnership with the Warsaw Area Career Center. We have awarded vocational scholarships. We have met with regional educational partners to explore bringing new trades training to our community.

We have taken a leadership and funding role in the creation of a child care and early learning coalition. The coalition's purpose is to design and implement a 10-year strategic plan to increase access to quality child care and early learning for children birth to age five in Kosciusko County.

We have worked with nonprofit child care centers to provide them with consultants and services aimed at reducing their administrative burdens so that they can focus on caring for children.

We awarded a start-up grant to the Warsaw Early Learning Center housed at the Warsaw Area Career Center. Teachers and school staff now have an affordable child care option. Just as important, students have an early childhood development certification path available to them, which can bring much needed child care labor into the community.

Our donors have responded to these critical needs! Thank you, donors!

Nash Polston, age 3, is learning so much at the Warsaw Early Learning Center housed at the Warsaw Area Career Center. Like many teachers and staff members of the school system, Nash's mother appreciates having an affordable, convenient child care option. Warsaw Community Schools developed the 30-child capacity center, in part, to help them attract and retain qualified staff. The closure in the past few years of four child care ministries created a shortage of care and made it difficult for teachers who were parents of small children to continue working.

Chamber CEO, Rob Parker, is a champion for workforce issues in Kosciusko County, including child care.

From Underdog to

Workforce & Child Care Champion

Rob Parker grew up on his family's farm in Silver Lake, Indiana. He attended Silver Lake Elementary and recalls that his group of friends were the 25 kids in his grade and anyone who was up for a game of farm-pond hockey. "Back then, Silver Lake had its own grocery store and most of the things you needed. There wasn't a reason to go into Warsaw on a regular basis."

Middle school was a tough time of transition. His class of 25 became over 500 students at what was then called Warsaw Middle School. "None of my Silver Lake classmates were in any of my seventh grade classes," Rob recalled. He remembers feeling different and like an outsider. "I didn't dress how the city kids dressed. I felt like I was out of touch."

That adolescent experience coupled with his upbringing that taught him "to love others as you love yourself," birthed in Rob an advocacy for the underdog.

While working in the telecommunication industry, Rob became involved with Kosciusko Leadership Academy (KLA). He credits KLA for opening his eyes to the need for community leaders. "I kept seeing the same people show up for community events and to address needs, and I thought that wasn't right. More people should help. Why not me?"

One of the many ways Rob got involved was to accept an invitation to serve on the board of the Kosciusko Chamber of Commerce and on the board of the Community Foundation. Both experiences shaped him significantly.

"Serving on the Community Foundation board strengthened my belief that people really do want what's best for each other. I believe in the mission of the Community Foundation."

Rob and his wife, Renee, established a Community Fund in 2014.

In 2017, Rob was named the President/CEO of the Kosciusko Chamber of Commerce.

In 2018, the Chamber Board voted to house a Child Care & Early Learning Coalition whose aim is to increase access to quality child care and early learning for children birth to age five in Kosciusko County. The Community Foundation, along with many other funding partners, is supporting the coalition.

"Child care is a workforce issue and the Chamber wants to be a leader in helping solve workforce issues," Rob said. He explained that quality child care not only helps parents gain and keep employment, it also helps ensure that young children have the foundation they need to reach their fullest capacity later in life.

"I want every parent who needs to work to feel that there is safe, affordable, quality care available to their children. A place where their kids will be loved. If our community can offer that, we will have a competitive advantage over every other community."

Thanks to the power of endowment, the Long's support of charities that are important to them will be felt forever.

Dale & Karen Long

It was the summer of 1974. Karen, a special needs teacher, spent her summer break working third shift at R.R. Donnelley & Sons. Dale was a binder operator working double shifts. Karen was one of about 11 workers on the machine Dale operated. Her job was to pack the machine with paper. The problem was that she couldn't quite keep up, and the packer would often get clogged. Then, the whole machine would stop and a light would go off above the packer who had caused the clog.

"Dale was the only operator who didn't yell at me," Karen said. Now married for over 42 years, Karen jokes that "he married me to get me off his machine."

Dale's patience and Karen's tenacity have made for a good combination. "We've never had a fight," Dale said. Dale jokes that his time in the U.S. Air Force, where a female Major was his superior taught him how to say, "Yes Ma'am!" and that has served him well in his marriage. All joking aside, the Longs have much in common: two grown children, seven grandchildren, one great grandchild, their Christian faith, a commitment to serving others and a love of travel. They've traveled the United States in a motorhome and have been to many other countries including Russia, Israel, Turkey, Italy and Greece – just to name a few.

Dale began working at age seven when he had his first Times Union paper route and was never unemployed until he retired from R.R. Donnelley & Sons after 34 years. He was an avid runner up through his mid-70s...until "pregnant women pushing jogging strollers would pass me. Then I got discouraged."

Karen worked as a special needs teacher at Cardinal Services and then taught at Warsaw Cooperative Preschool before becoming a Mary Kay sales consultant and later a sales director. She's won many sales awards and a "Go Give Award" for her service to others as recognized by her Mary Kay peers.

Several years ago, the Longs established an endowment fund at the Community Foundation which will be fully funded as part of their estate. The Dale and Karen Long Charitable, Memorial and Scholarship Endowment will support a variety of faith-based and charitable organizations that have been important to them.

"Life is short," Karen said. "You only have a certain number of years to make an impact on the lives of others." The Longs chose the endowment fund at the Community Foundation as one way to invest in faith, education and young people even after they are gone.

If you are interested in learning how you can make an impact forever on causes that matter the most to you, please let us know. We would love to help you meet your charitable dreams.

A little artist explores her creative talents at the Community Foundation's Lil' Philanthropist Art Experience at the 2017 Oakwood Fine Arts Fest. Children create art that is given away as a fun method of teaching them about giving their time and talent. The Community Foundation is an annual sponsor of the Oakwood Fine Arts Fest, held annually in Syracuse.

Donors

Thank you for entrusting us
with your charitable dreams!

Scholar, Volunteer, Donor –

Dan Stichter

Few young people have as clear a vision for their life as Dan Stichter. As a student at Triton High School, he knew he wanted to pursue a career in Accounting on a path to corporate leadership. He was good at math and recalls “a strong entrepreneurial itch.” (As evidenced by his peddling of candy for premium prices on the school bus!)

Attending a small school allowed Dan to pursue a variety of interests and gave him leadership opportunities. He was a captain on the varsity football and baseball teams and played a lead role in a school play.

Dan clearly remembers a spring day in 2005. “I was wearing a baseball sweatshirt and mismatched track pants. Had I known there were going to be pictures, I would have dressed better!” He walked Dan’s parents, the school superintendent, and Suzie Light from the Community Foundation. Suzie was there to announce that Dan had been named one of Kosciusko County’s Lilly Endowment Community Scholars (LECS), an award which paid full tuition for four years of study at the Indiana college of Dan’s choice.

Dan chose to attend Anderson University because the school awarded him additional scholarships that paid for room and board, which was not covered by LECS. The award made a huge impact on Dan’s life.

“Because of the scholarship, I was able to come out of school debt free. My wife and I were blessed to be able to buy a home, save for retirement, and be generous with our income.”

After working in Indianapolis for two years, Dan and his wife, Emily, moved to Bourbon. “We came back to be near family and raise our children in a wonderful community. The orthopedic industry also allowed me to pursue my career goals.”

In 2017, Dan was hired as the Chief Financial Officer of Nextremity Solutions.

“Being granted the Lilly was a blessing and now it’s incumbent that I give back. Part of that is serving. Part of that is giving financially,” Dan said.

Dan has volunteered on Community Foundation scholarship committees for the past few years, and recently he and Emily established a donor advised fund.

“We give outside of the Community Foundation, but the donor advised fund is a tax-advantaged way to set aside funds within the Community Foundation. We are able to donate in the short-term and grow the fund over the long-term, establishing a framework that may allow our giving capacity to someday be life changing.”

New

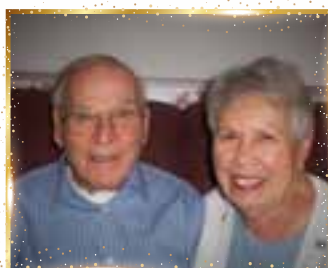

Funds

The Forrest W. Bouse and Kathryn I. Bouse Charitable

Endowment – Established by Forrest and Kathryn Bouse as part of their estate planning to support organizations that were important to them including: Otterbein United Methodist Church, Cardinal Services, Kosciusko County Historical Society, charitable projects of the Warsaw Masonic Lodge No. 73, charitable projects of the Kosciusko County Shrine Club, and maintenance and support of the Atwood Community Building.

Jo and Doyle Butler

Memorial Fund – Established by Jo and Doyle Butler as part of their estate planning to support organizations that were meaningful to them including: St. Andrews United Methodist Church in Syracuse, IN, Syracuse Park Foundation, Wawasee High School Class of '89 Scholarship Fund, Wawasee Area Conservancy Foundation, New Hope Pet Rescue and IU Health Goshen Foundation.

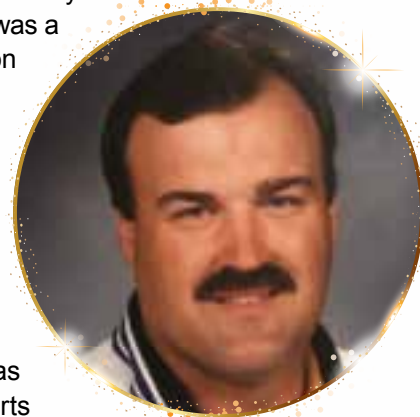

Sonja Easterday Fund – Established by Kelly Easterday Heckaman in memory of her mother, Sonja Easterday, and in recognition of those people who assisted her in her career and development: Mark Herrold, Roger Fields, Jim & Cheryl Moneyheffer and Ron Fuhrmann. The fund will provide support for youth educational and developmental activities focused on agriculture, specifically for youth in 4-H and FFA.

The Honeywell Arts Education Partnership for Kosciusko County Endowment Fund

– Established by The Honeywell Foundation to support the Honeywell Educational Outreach Program serving Kosciusko County children and students. The Honeywell Foundation is a public charity dedicated to the enhancement of social, artistic, recreational, and cultural opportunities for all.

Stephen G. Jones Memorial Scholarship Fund –

Established by friends and family of Stephen Jones. Stephen was a beloved Physical Education teacher at North Webster Elementary. Prior to teaching, he served as a policeman with the Anderson Police Department. He shared his love of sports and his commitment to improving the lives of young people as a coach for numerous sports teams in the Wawasee School system and the surrounding area.

(Left to right): Jolie & Dale Miller, Suzie Light, and Kyle & Melinda Miller.

Kurt Miller Ag Scholarship Fund – Established by Dale Miller (not related to Kurt Miller) who wished to honor young Kurt Miller with the establishment of a scholarship fund. Dale and Kurt's father, Kyle, had lockers next to each other throughout high school. Dale had wanted to establish an agriculturally geared scholarship for several years. When Kurt, who was very involved in Tippecanoe Valley's agriculture program, passed away as a result of an accident, Dale felt the time was right to start the scholarship fund to honor Kurt's life.

Marcia and Homer Ousley, Jr. Fund – Established by Homer Ousley, Jr. to benefit students from the communities where he and Marcia worked and lived including Manchester Schools, Tippecanoe Valley

Schools and Whitko Schools. Homer was a farm manager for Creighton Brothers for 40 years and operated his own corn and soybean farm. Marcia taught elementary school for nearly 30 years. Homer and his late wife valued education and believed that education is the best tool against poverty.

***Peterson Family Charitable Fund**

– Established by Brian and Tracy Peterson to advise grants to charitable projects and organizations that are important to their family. Brian is the owner of a local realty firm, Brian Peterson Real Estate Group.

***Scott and Lisa Reinholt Family Charitable Fund**

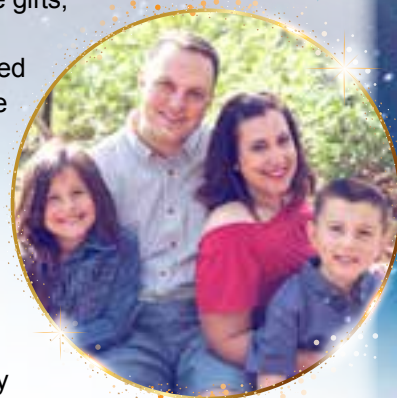

– Established by Scott & Lisa Reinholt to support charitable projects that align with their family values.

Greg Sasso Memorial Fund – Established in memory of Greg Sasso by his family. Greg worked for Biomet for 26 years before pursuing his own business ventures. He was proud of his four children. He was involved in the community, including serving as a former board member of the Community Foundation. This fund will support charitable organizations that provide substance abuse rehabilitation and recovery services to Kosciusko County residents.

***Stichter Family Charitable Fund** – Dan and Emily Stichter created this fund to facilitate recurring giving, pool and grow funds for larger one time gifts, and realize accelerated tax advantages from donor advised giving. Contributions set aside for future generosity not only support the Community Foundation, but also provide the Stichter family with readily available funds to support worthy causes now and in the future. Dan works in finance at Nextremity Solutions, and Emily works for the Town of Bourbon. Both volunteer regularly with the Etna Green Church of Christ and in the Triton community.

Cynthia Thornburg Memorial Scholarship Fund –

Established with gifts from friends and family of Cyndi Thornburg. Cyndi was a beloved teacher of Language Arts for the Wawasee School Corporation for 35 years. Her commitment to her school and her students extended beyond the classroom. She was Senior Class Sponsor, the voice of many Wawasee athletic events, Thespian Troupe Leader and very involved in the drama club. She was also active in her church, sorority and on the board of the Syracuse Library.

Valley Hometown Endowment Fund – Established as an advised fund to improve the quality of life of the citizens of Harrison, Franklin and Seward Townships in Kosciusko County, which are communities served by the Tippecanoe Valley School Corporation. A committee will recommend grants from the fund.

Warsaw Performing Arts Center Endowment Fund – Established by an anonymous donor to provide support to the Warsaw Performing Arts Center, a performing arts facility operated by Warsaw Community Schools.

***Robert Westerhof Family Fund** – Created in memory of Robert “Bob” Westerhof by his family. Robert served his country in the U.S. Army in Vietnam where he also served as a missionary and English teacher. He then had a 31-year career as an employment counselor. Robert was a strong supporter of several local churches. He loved to sing and was an avid reader, which led to his emphasis on the importance of education to his children. Robert’s son recommends grants from this fund that align with the values Robert displayed throughout his life and that honor his legacy.

Funds

A more detailed list of funds, including fund descriptions and the names of donors who established the funds, is available at KCFoundation.org/list-of-funds.

Community Funds

Donors who establish Community Funds enable us to meet the community's emerging needs, usually in response to grant applications from local nonprofits. For a listing of grants made from Community Funds, see pages 26-27.

Youth Recruitment & Retention Hunting, Fishing, Trapping, and Shooting Sports Education Fund

Fourth graders from all across Kosciusko County participated in Ag Day. They learned about agriculture's role in the food and fuel supply. As always, the baby chicks were a favorite part of the day! The Community Foundation is a sponsor of Ag Day.

Field of Interest Funds

Field of Interest Funds specify that income from the fund supports a donor's particular area of interest, such as the arts, education, care of the elderly, etc. without naming a specific organization to which grants will be made.

Ag Cares Fund
*ArtFULLY Warsaw Fund

In June 2018, members of the community celebrated the ribbon cutting of Little Crow Lofts, an affordable housing apartment complex made possible through a gift of the building from Denny and Kim Fuller to the Community Foundation. The Community Foundation sold the building to an affordable housing developer. The proceeds of the sale funded a donor advised fund from which the Fullers can recommend charitable grants to causes that are important to them.

Advised Funds

Advised Funds allow a donor or committee to recommend grant recipients to the Community Foundation's Board of Directors, which makes final grantmaking decisions in accordance with Treasury regulations. With the exception of the Kosciusko REMC Operation Round Up Fund, grant applications to these funds are not accepted.

Total		\$87,201.00

Servants at Work

Thirty years ago, Vickey Frey was in a devastating car accident. As a result of a brain injury and a shattered foot sustained in the accident, Vickey became permanently disabled. Fortunately, Vickey is surrounded by family including sisters who make sure that Vickey's needs are met.

One of those sisters, Tana, remembers getting a call from her nephew earlier this summer. Something was wrong with Vickey. She wasn't acting herself, and her good foot (the one not injured in the car accident) was bruised and swollen.

At the hospital, the family learned that Vickey had developed a blood clot and sepsis. In order to stop the infection from spreading, a toe on her good foot was amputated. Vickey was transitioned to a nursing home, but she wanted to come home. "I missed my fiancé and my dogs. There's no place like home."

Tana saw that her sister was becoming very depressed. Tana knew that Vickey would not be able to come back home until they made Vickey's mobile home more accessible. And at the top of the list of modifications that were needed was a wheelchair ramp.

Tana started doing online research to find out where she could get help with the installation of a wheelchair ramp. "I was referred to a few different places, but no one ever called me back," Tana said. Finally, she came across information for an organization called Servants at Work (SAWs). SAWs is based out of Indianapolis but has community coordinators throughout Indiana. "They called me back right away."

Just a few months before, SAWs had secured a grant from the Kosciusko REMC (KREMC) Operation Round Up Fund for materials needed to build wheelchair ramps for people in need in Kosciusko County. A local coordinator oversaw a crew of six to build Vickey's ramp. One of those crew members was Ron Richey, who is retired from the construction business. He feels good about using his skills to offer someone else a helping hand.

"Without them, my sister could not have come home," said Tana. "They were so helpful and compassionate. We are so grateful to Servants at Work and to the donors who made it possible for Vickey's wheelchair ramp to be built."

Servants at Work (SAWs) is a faith-based 501 (c)(3) ministry that builds wheelchair ramps for persons with disabilities so that they may remain in their homes and connected to their communities. For more information about SAWs, visit their website at www.sawsramps.org.

Wawasee High School	Orthopaedics in Action activity kits for Human Anatomy & Physiology classes	\$1,535.00
	Screen printing equipment for Printmaking class	\$372.00
Wawasee Middle School	Training materials for teachers working with at-risk students	\$350.00
Total		\$21,832.00

Educational Buzz

How do you teach sequencing, estimation and problem solving to six-year-olds? By making it fun, of course! Lincoln Elementary School first grade teacher, Gena Kendall, was awarded a KEYS grant last fall to purchase Bee-Bots for her students.

"You just take these tiny bees and turn them on. Press the buttons to find where you want (to go)," explained Carson Hollon, who learned how to program the bees in Mrs. Kendall's class last year.

The bees travel along a colorful floor map made up of squares. Some of the squares are a destination like a pond or a park. The child decides where he wants his Bee-Bot to end up and then counts how many squares the Bee-Bot must travel forward, right, left or backward in order to reach its intended destination. When the Bee arrives at its intended destination...smiles and high fives. When the Bee does not end up where the child intended...as happened for Chloe, she said, "Oh wait. I know what I did wrong. Can I try again?" The second time was the charm!

"It is my goal each year to create an environment that is safe and a place where students are comfortable enough to take risks and learn," said Mrs. Kendall. "The financial support I have received through the KEYS members has allowed me to provide hands-on learning in my classroom...I am thankful to live and work in a community that values and supports education."

Lincoln Elementary student, Rushabh Gorhe, enjoys learning math and problem-solving skills with the Bee-Bots purchased with a KEYS grant.

2017-2018 KEYS members included: Front (L-R): Zeke Keim (Wawasee MS), Miriam Hagg (WCHS), Arika Warren (TVHS), Jane Hanes (LCA), Anna Gustafson (Lakeview MS), Eli Demopoulos (WCHS)

Middle (L-R): Landon Twombly (LCA), Lauren Housel (WCHS), Sydney Wiedeman (WCHS), Nyla White (Wawasee HS), Jakob Jones (TVHS), Branson McBrier (TVMS)

Back (L-R): Camden Tucker (TVHS), Morgan Ziebarth (LCA), Hannah Jansma (TVHS), Jared Krugman (Wawasee HS), Jairus Boyer (Wawasee HS), Elizabeth Kleopfer (Wawasee HS), Joshua Nakasone (LCA)

The Neal & Joy Carlson Legacy Society

Neal and Joy Carlson

The Neal and Joy Carlson Legacy Society is named in honor of our first Executive Director, the late Neal Carlson, and his wife, Joy. The Carlsons committed many years of service to our community and they have generously established several endowments at the Community Foundation, the impact of which will be felt forever.

The Legacy Society recognizes those who have left a gift to the Community Foundation as part of their estate planning. We consider it a great privilege and responsibility to honor the legacies of the donors who have entrusted a gift in their Will to us. If you would like information on becoming a member, please call the Community Foundation.

Why Give

Through the Community Foundation?

1. Your charitable legacy is secured with a gift that lasts forever.
2. You can give any type of asset, in any amount – from cash and securities, to crops and real estate. Your gift receives the maximum tax advantage because we are a public charity.
3. You can support your favorite causes and explore unlimited possibilities with our highly customized philanthropic options, including options that allow you
4. You get the expert advice you need to make important decisions about the type of gift to make and the areas of need your gift could meet.
5. You experience the fulfillment of giving while we take care of the administrative side of philanthropy like grant reporting, tax receipts and government regulations.

Ways to Give

- ★ Cash
- ★ Beneficiary designation on a retirement account or pension plan
- ★ Appreciated assets such as stock or property
- ★ Estate gift (in your Will)
- ★ Life insurance
- ★ Crops or livestock
- ★ Charitable Lead and Remainder Trusts
- ★ Charitable Gift Annuities
- ★ Private Foundation Transfers

*If you would like more information about how we can help you achieve **more impact, greater purpose, and endless possibilities**, contact us. We encourage you to work with your tax advisor or attorney to determine the kind of gift that makes the most sense for you.*

for U.S. Community Foundations

Our Mission –

By bringing caring people
and charitable endeavors together,
we make donor dreams shine
for the good of our community.

We do this by:

- ★ Serving as the vehicle for donors' charitable dreams
- ★ Awarding grants to charitable projects and organizations
- ★ Addressing community needs as a catalyst and convener

Kosciusko County
**COMMUNITY
FOUNDATION**
Where Donor Dreams Shine.
