

Authorization from the organization’s director and a board officer are required in order to submit a grant application to Kosciusko County Community Foundation. Applicants should complete the top section using responses from their application before collecting the required signatures.

Please note that if the organization is a school, the director’s signature should be provided by the building principal or school superintendent. If the organization is a governmental entity, the director’s signature should be provided by an elected official with financial decision making responsibility.

<b>Applicant Name:</b>			
<b>Organization Name:</b>			
<b>Project Description:</b> <i>As stated in the Grant Proposal Section of the application.</i>			
<b>Amount requested:</b>		<b>Total cost of the project/program:</b>	

By providing your signature below, you are indicating that you have reviewed the details of the grant request as stated above and agree to the submission of this request to the Kosciusko County Community Foundation.
